ABOUT THE 2025 SAFER SCHOOLIES GOLD COAST RESPONSE

The 2025 Safer Schoolies Gold Coast Response (Response) will be delivered in partnership with Queensland Government agencies, City of Gold Coast and community partners.

The safety of young people and the local community remains the highest priority.

The Response will be operational from Saturday 22 November to Friday 28 November.

Activities conducted after Friday 28 November are not aligned with the Safer Schoolies Gold Coast Response.

The Response is not a 'festival' or 'event' but is designed to manage school leavers who choose to book their end-of-year holidays on the Gold Coast. The Response provides a 'diversionary activity' which encourages school leavers to celebrate with their peers in a dedicated alcohol and drug-free zone on Surfers Paradise beach.

The 2025 safety response will include:

- Schoolies Hub (free nightly entertainment from 7pm-midnight in a dedicated zone on Surfers Paradise beach)
- wristbands (for identifying legitimate Year 12 school leavers and their access to Schoolies Hub)
- emergency treatment centre and specialist mental health support
- a designated Welfare Space offering counselling, support and comfort
- nightly Recharge Zones and mobile Chill Out Zone offering space, water, assistance and first-aid
- daily Schoolies Support Space (11am-4pm)
- Red Frogs in-hotel support and dedicated Red Frogs Hotline
- licensed venue compliance checks and ID checks for underage and fake IDs
- increased police presence
- street patrols and walk home services
- road closures to ensure the safety of all pedestrians.

2025 FAQs

Q: Does the Safer Schoolies Gold Coast Response encourage schoolies?

The Safer Schoolies Gold Coast Response is not an event or festival to attract school leavers to the Gold Coast. It is a safety response implemented to manage school leavers who choose to book their end-of-year holidays here.

Accommodation providers advise thousands of young people are booked to come to Schoolies on the Gold Coast this year. The Safer Schoolies Gold Coast Response supports school leavers through the Schoolies Hub. This is a diversionary activity where legitimate Year 12 school leavers can celebrate responsibly in a drug and alcohol-free zone.

Q: Do you monitor the noise levels at the Schoolies Hub?

Whilst there is amplified music during the Safer Schoolies Gold Coast Response, we ensure we follow the guidelines outlined by Department of Environment, Tourism, Science and Innovation. To read more about our Noise Management Plan visit saferschoolies.qld.gov.au/community
